eBenefits Websites™

A Simple Tool to Ensure Employees Understand Their Benefits

QUESTION'S TO CONSIDER

- Are your Renewals coming in higher than the client would like to see?
- Would you like to ensure you keep your top 10 revenue generating clients?

THE ANSWER

- Provide more value while giving clients and employees what they want.

FACT

- 33% of Brokers provide clients with employee self service benefit websites as a Value Add.
- 66% of Brokers haven't found a way to stay competitive in today's financial crunch.

SOLUTION

- OUR MISSION IS TO ASSIST THOSE BROKERS

THE PRODUCT

eBenefitsWebsites

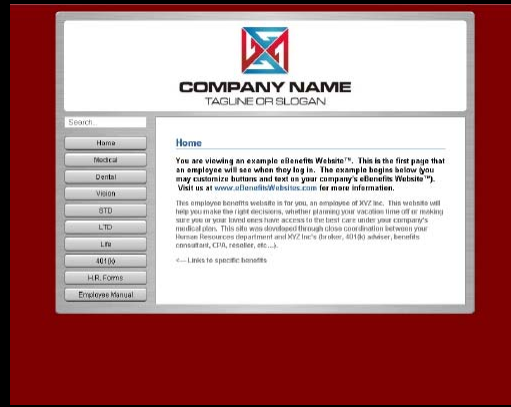

We know you will find our system streamlined, efficient and effective. Oh and not to mention we are priced to ensure your most precious clients are protected without affecting the bottom line.

What Are eBenefits Websites™?

An eBenefits Website is the most flexible and effective benefits communication tool available. The simple design is easy for employees to use. No changes to current employee benefits program required. Capable of linking to your intranet and incorporating various benefit plans, multiple brokers and different HR-products, even online-enrollment and payroll companies.
